What We Are Learning

WOW! What about all that snow? It was somewhat exciting and pretty to look at if you didn't have to get out! I hope you and your family enjoyed the time off from school and got to do some fun activities. The littles seemed glad to be back with their friends (even for one day), and had lots of stories to tell. We wrote in our journals about the fun we had. During center time we rotated through several fun science centers including snow and water play, polished rocks, and different types of magnets.

We will be postponing the letter B and our Space theme for a few weeks, and diving right into the letter D for Dinosaurs and Dental Health next week. We will also be celebrating Catholic Schools Week and extending the Book Fair in the Parish Center.
