## What We Are Learning

What an awesome Catholic Schools Week we had! The littles enjoyed dressing up and looked so adorable. Thank you for all the wonderful books that were purchased for our class from the Book Fair. We worked on the letter D with our handwriting program using Play-Doh, iPads, chalk boards, and paint doobers. We spent the week learning about dinosaurs through books, songs, and videos. We made dinosaur eggs and fossils with Play-Doh, did shadow matching, puzzles, ten frame counting, coloring, and wrote in our journals about our favorite dinosaur. We talked about Groundhog Day and watched the live video about Punxsutawney Phil and made a cute puppet. We also took some time to learn about Dental Health. We did a cut and glue about happy and sad teeth and even painted with toothbrushes!
