What We Are Learning

We worked on the letter M with our handwriting program using Play-Doh, iPads, chalk boards, and paint doobers. We spent the week reviewing the alphabet, assessing for progress reports, and doing some fun St. Patrick's Day activities. We made a rainbow hat, a handprint rainbow, and drew some Leprechaun faces. We learned about the colors of the rainbow through books, songs, and dancing with scarves. It is hard to believe we are heading into our last quarter of the year! We have been practicing our cutting and gluing skills as well as name writing. In Religion we read about how Jesus heals a blind man and talked about our wonderful gift of sight. Our 4th quarter virtue we will be working on is patience.
