What We Are Learning

We celebrated St. Patrick's Day on Tuesday and a mischievous leprechaun made a mess of our room, but left us some sweet treats and treasures. We read books, sang songs, and did a little dancing. We did some shamrock math, made Play-Doh shamrocks, wrote in our journals, and made leprechaun snow and water. We made a kite with oil pastels and even painted shamrocks with marshmallows! We worked on the letter N with our HWT program using Play-Doh, iPads, chalk boards, and paint doobers. We also talked about nutrition, the food groups, My Plate, and which foods are health/not healthy for our body. We ended the week rotating through several fun science centers. The littles were excited to see new pictures of our adopted calf Betty, and how much she has grown.
