What We Are Learning

We worked on the letter V with our HWT program using Play-Doh, iPads, chalk boards, and paint doobers. We read books and sang songs about spring, and took a walk to look for signs of spring. It was a beautiful day and we found all the signs we were looking for.

We watercolored a pretty cross picture, connected the dots by number to see what was hatching in a nest, and made bunny bags for our egg hunt. We also rotated through several fun number centers, practiced patterns with puzzles and unifix cubes, and practiced name writing. Many are working on last names now. In Religion we talked about the season of Lent, Holy Week, and Easter. We listened to the story of Palm Sunday and how we can welcome Jesus.
