What We Are Learning

We had a wonderful week exploring the weather. We experienced sunny and warm, windy, and a little rain. We wrote in our journals about our favorite weather and what wind moves (a fun prediction activity using straws). During centers we played in water to see what floats or sinks, played with water beads, and painted raindrops by number. The littles loved our Walking Water Experiment and discovering primary and secondary colors. We also practiced cutting and gluing weather patterns, made a cute umbrella craft, and did a sea turtle sequencing. We celebrated Easter with an exciting egg hunt with our 5th grade buddies, and did some fun Easter activities. We worked on the letter W with our handwriting program using Play-Doh, iPads, chalk boards, and paint doobers.

Upcoming Events

April 15 - Spring and Graduation pictures
May 6 - Spring Concert 6:00 pm
May 13 - Pre-K Graduation 6:00 pm
May 14 - 8th Grade Graduation 6:00 pm
May 15 - Pre-K Last Day-11:00 am Dismissal

Show and Tell will be on Tuesday, April 14th.

Next week we will be working on the letter X and talking about farm animals. If anyone has any small pets they would like to bring in and show the class next week, please let me know and we can work out a time.

Snacks for next week:

Monday-Olivia

Tuesday-Huxley's 5th Birthday!

Wednesday-Ryder

Thursday-Sloane

Friday-Wrenley

Notes:

It's so hard to believe we only have 5 more weeks of pre-k! This year has passed by so quickly. The littles have grown and learned so much. Mrs. Erica and I are so proud of all of their accomplishments! On Friday, May 15th we will have a morning of fun with our preschool friends. (All students are invited to come on this day.) This will be the last day of school for preschool and pre-k and we will dismiss at 11:00 am. We would love to have any available grown ups join us from 9-11 am if they have completed the child protection training. Please let us know if you can join us.

Have a great weekend!
