What We Are Learning

We have enjoyed the beautiful weather and lots of outside time. We learned all about farm animals through songs, books, and videos. The littles really like the "Five Little Ducks" song and we did a cut and glue about it. We also counted baby animals, worked farm puzzles, played with farm sets and farm animals in Legos and blocks. We even stamped our own farm pictures. We learned about the life cycle of tadpoles, and did a chicken sequence paper. We all enjoyed a visit from Ben's bunny and loved petting Percy! The littles were also excited to live chat with Lueken Dairy Farm and our adopted calf Betty! It was so cool to see Betty in action. We worked on the letter X with our handwriting program using Play-Doh, iPads, chalk boards, and paint doobers.

Notes:

Our last book order for the year has been sent home. Please order by Thursday, April 23rd so we can get them back by the end of school. Let me know if they are gifts and I will keep them a surprise.

Graduation is on Wednesday, May 13th. Thursday May 14th will be a regular school day. Friday, May 15th we will dismiss at 11 am. This will be the last day of school for preschool and pre-k and we will have a morning of fun with our preschool friends. (All students are invited to come on this day.)

We would love to have any available grownups join us from 9-11 am if they have completed the child protection training. Please let us know if you can join us.

Please return the graduation letter to let us know approximately how many will be attending.
