What We Are Learning

We celebrated Earth Day by reading books, watching some cool videos, coloring, and journal writing. We spent lots of time outside enjoying the beautiful weather. The littles especially enjoyed playing on the playground with their 5th grade buddies. We have also been learning all about plants this week. We made a diagram of plant parts, planted our own flower seeds, and tasted food from roots to seeds. We painted flowers with sponges, forks, and even celery stalk ends. They turned out so pretty! We worked on the letter Y with our handwriting program using Play-Doh, iPads, chalk boards, and paint doobers. We also rotated through several alphabet centers and continue to practice names writing. In Religion we talked about how Jesus is our Good shepherd.

Notes:

Graduation is on Wednesday, May 13th. Thursday May 14th will be a regular school day. Friday, May 15th we will dismiss at 11 am. This will be the last day of school for preschool and pre-k and we will have a morning of fun with our preschool friends. (All students are invited to come on this day.) We would love to have any available grownups join us from 9-11 am if they have completed the child protection training. Please let us know if you can join us.

Please return the graduation letter to let us know approximately how many will be attending.

We will not be needing any snacks for May. We will celebrate Guinevere's 5th Birthday (July 21st) on Thursday May 7th.
