

August

Miss. Beck's 8th Grade

We have officially wrapped up our second full week of school, and what a wonderful week it has been! I continue to be so impressed by our students and how well they have settled back into the school routine. They have been kind, helpful, hardworking, and willing to jump into everything we have asked of them. It has been such a joy watching them grow together as a class, and I am already so excited to see what the rest of the school year has in store for us! This week, several of our students also participated in server training, learning and practicing how to serve during Mass. I am so proud of their willingness to take on this important responsibility and serve our school and parish community. We have so many exciting things ahead of us this year, and I am grateful to share all of these experiences with such a wonderful group of students!

Parents, please be sure to check your student's backpack for important information coming home regarding our 8th-grade trip and upcoming fundraising opportunities! There will be several important details and dates to keep track of as we begin preparing for the trip. Thank you, as always, for your continued support. We are off to a fantastic start, and I cannot wait to see what the rest of the year brings!
