Weekly Round Up

We are off to a wonderful start in Pre-K! Our theme this week is Back to School, and we are spending lots of time learning about our classroom, making new friends, and building our classroom family.

We are reading sweet stories about friendship, kindness, and manners while practicing how we can show love and respect to our friends each day. We are beginning our writing journey by learning how to write our names the Pre-K way, with a capital letter at the beginning and lowercase letters for the rest. We are also easing into phonics and math routines by working together on our ABCs, counting, and building confidence through fun center activities.

I am so proud of how our littles are learning, growing, and adjusting to our new routines. We are going to have such a fun year filled with lots of learning, laughter, and memories!
