

6TH GRADE NEWS

August 28, 2026

FROM THE DESK OF MRS. NAAS

It was a wonderful week in 6th grade! And the beautiful weather at the beginning of the week didn't hurt either. I think the kiddos are beginning to get into a groove and are adjusting well to middle school life. Students are getting better each day with organization, classroom tasks, and rotating classes, etc. They will be a pro in no time! We got to meet our 1st grade buddies this morning. We played a "Get to Know You" game and enjoyed playing outside together. In my opinion, buddies are one of the greatest blessings at SMS.

On Thursday mornings, all 6th graders will be singing in the choir at Mass. They sang last Thursday and yesterday and their voices are beautiful. You can join us anytime for Mass on Tuesday and Thursday mornings at 8am.

I have sent a few emails since the beginning of school. Please check your email to confirm you're receiving my messages.

Newsletters will always be backpacked home on Fridays and also posted on our SMS website. You can also find our school calendar, lunch menu, monthly newsletter (The Orbiter) and other happenings under the "Family Info" tab. www.smsrockets.org

MARK YOUR CALENDAR

THE WEEK AHEAD

Religion: Saint Profile

Science: Finish and Assess States of Matter; Start Physical Prop. of Matter

Math: Working with Decimals

ELA: Business Writing

Social Studies: Topic I-I, The Distant Past

REMINDERS

--Students will be filling out their agenda everyday. This is one way to keep communication lines open at home and school.

--Students have a designated "Take Home Folder." This folder should come home everyday, along with their agenda. Look for things like the weekly newsletter, notes from the office, etc.

--Arrival time for students--doors will be open at 7:30 for students to sit in the gym. We kindly ask that breakfast/drinks are finished before they come to school.

--Chromebooks--Some teachers may ask that students complete work on their chromebooks. We allow students to take home their chromebooks in middle school. They need to use this technology responsibly and keep their chromebook free of any damages.
