Miss. Beck's 8th Grade Class

Weekly News

Even though this was a short week, our 8th graders still packed plenty into our time together! Today, we took time to remember the events of September 11, 2001, and to honor the lives lost, the heroes who served, and the many people whose lives were forever changed. It was a meaningful opportunity to reflect on the importance of kindness, service, unity, and prayer. We also had the chance to spend time with our buddies today! Our 8th graders continue to do such a wonderful job serving as role models for our younger students. It is always fun to see the excitement on everyone's faces when buddy time rolls around!

✨ We're Going to Disney! 🏰

We are also VERY excited to officially announce that our 8th Grade Disney Trip is BOOKED! Our Class of 2027 will be heading to Walt Disney World this spring from March 30-April 3! We are incredibly excited to make memories together and celebrate our students during their final year at St. Mary's.

There will be plenty more information to come as we get closer to the trip, but for now, mark your calendars for March 30-April 3! We cannot wait for this unforgettable 8th-grade adventure!
