Miss. Beck's 8th Grade Class

Sept 21--25

Weekly News

What a Wonderful (and HOT!) Week in 8th Grade! ☀️

We had another wonderful week in 8th grade—even if the temperatures made it feel a little more like summer than fall! Our students continue to do an amazing job, and we had several special moments to celebrate this week.

On Thursday, we celebrated Grandparents Day, and what a lovely day it was! It was such a joy welcoming so many grandparents and special guests to our school and giving our students the opportunity to spend this special time with them. We are incredibly grateful to everyone who joined us and helped make the day so memorable!

A HUGE thank you also goes to our 8th-grade parents for getting students to school bright and early on Monday morning for our coffee service project! We know that early mornings can make for some hectic schedules, and we truly appreciate your help and flexibility. The students did a wonderful job, and we could not have made it happen without your support!

🏈 Looking Ahead: Homecoming Week!

Next week is Homecoming Week for the high school, and we are excited to join in some of the school spirit! On Friday, students may enjoy a Maroon & Gold Free Dress Day.

Students are encouraged to wear maroon and gold with school-appropriate bottoms. Please remember that jeans should not have holes, and skirts must be an appropriate length. We want everyone to have fun showing their school spirit while still following our expectations for appropriate school attire.

Thank you, as always, for your continued support of our 8th graders. We are looking forward to another fun week together! 💖
