

September

Miss. Beck's 8th Grade Class

Weekly News

What a HOT week it has been! Even with the high temperatures, our students have been absolutely amazing. They have continued to come to school each day ready to learn, participate, and make the most of our time together. I continue to be so impressed by their positive attitudes, flexibility, and kindness toward one another. They have handled the heat like champs, and I am so proud of the wonderful start they have made to this school year! As we continue settling into our routines, there are lots of exciting things happening at St. Mary's! Please take a moment to review these upcoming dates and reminders:

SCHOOL PICTURE DAY — Wednesday, September 9

Picture forms were sent home with students on Wednesday. Madison Laws Photography will ONLY be using paper order forms this year, so please be sure to check your student's backpack for their form. Picture Day will be Wednesday, September 9.

GRANDPARENTS' DAY — Thursday, September 17

We are so excited to welcome our grandparents and special guests to St. Mary's! Information regarding Grandparents' Day was sent home last week. Please review the schedule of events and return the lunch count form by **September 10** if your student's grandparent(s) plan to join us for lunch. Additional forms and information are available in the school office if needed.

Thank you for another wonderful week and for all you do to support our students! We have so much to look forward to in the coming weeks, and I am excited to continue making memories with this incredible group of students!
