Classroom Highlights

Wow! Such a fun week! We are doing such a great job learning our classroom rules and expectations. I have finished up beginning of 1st Qtr assessing and those can be checked out in their growth binder.

This week our focus was "Brown Bear" AND we started our alphabet work! We colored, dotted, and spot and dotted letter A. We have done brown bear crafts, practiced our names, traced lines to brown bear, and played lots of games together outside. We continue to work hard everyday! Next week we will focus on letter B and The very hungry caterpillar!
