Weekly Round Up

On Monday, we got to attend our first Monday Morning Meeting with the whole school! All of our August and September birthday kiddos got to be recognized by Mr. Buss and received a birthday pencil and little Mary or Jesus.

This week our theme was camping. Each day we read stories about going camping and nature. We worked on our shapes with a campfire shapes puzzle, traced and counted camping shapes, fork painted our own campfires, and played in our tent!

This week for phonics, we focused on the letter E. We practiced letter formation, sang songs, recognizing capital and lowercase E, and letter E's sound, "eh." We read a silly E story about an elephant named Elvin, and also practiced our reading skills with our letter E mini reader.

In math, we worked on circles, triangles, and squares. We talked about different objects around our classroom that were each shape. We also continued practicing our number formation with our rhymes.
