

6TH GRADE NEWS

September 18, 2026

FROM THE DESK OF MRS. NAAS

Yesterday we celebrated Grandparent's Day with Mass, donuts, and a visit to our classroom(s). It was wonderful to meet all the special people in the lives of your children. We have been talking about all the ways our grandparents influence our lives and the special names we call them. We made them a "heart" card and gifted it to them during their visit.

Midterm reports are attached to this newsletter. Please sign and return. If you have any questions or concerns, let me know or reach out to the the subject specific teacher. We're all in this together!

Did you know that you can check your student's grades in the FACTS Family Portal? This is the same website that you used when you registered your student online and when you put lunch money in your account. I have had all students create their own accounts and they are able to keep track of their grades. We iterate that it is very important to check grades often, and I encourage you to do the same :-)

Have a wonderful weekend!

MARK YOUR CALENDAR
