

October

Miss. Beck's 8th Grade

First Quarter is Almost Complete!

It is hard to believe that the end of the first quarter is quickly approaching! Our first quarter officially comes to a close on October 21. These first several weeks have flown by, and our 8th graders have already accomplished so much. We are proud of the way they have settled into their final year at St. Mary's and are looking forward to all that the rest of the year has in store! Parent-Teacher Conference letters are coming home today! Please take a moment to review the information, complete the form, and return it to school by Friday, October 9. Thank you for helping us stay connected and work together to make this a successful year for our students.

A Special Thank You to the Rockets Foundation!

We would also like to extend a HUGE thank you to the Rockets Foundation for their incredible generosity and support of our 8th-grade class! The Foundation graciously sponsored our kayaking field trip and also made a generous donation toward purchasing our 8th-grade class shirts.

We are so grateful to have an organization that continues to invest in our students and helps make these special experiences possible. Thank you, Rockets Foundation, for supporting our 8th graders and helping us make their final year at St. Mary's one to remember!  

Upcoming Events

Oct 5 - Coffee Monday
