Classroom Highlights

We had a wonderful week in preschool as we focused on the letter F and all things farm and fall! We explored the changes that come with fall, enjoyed hands-on activities, and practiced recognizing and writing the letter F in multiple ways. We had fun with coloring, dotting, and other creative activities while building our letter recognition skills.

We also enjoyed talking about farms and all the fun things that make fall such a special time of year! We were excited to give Janis a warm welcome as she joined our classroom as our new aide. We are so happy to have her helping us throughout the week!

It was another great week of learning, exploring, creating, and growing together!
❤️ I love seeing our little learners gain confidence and continue to blossom each week. 🍁
