Dear Preschool Families,

Start your morning off with coffee and a prayer! Monday, Sept. 14th (7:15-8:00) parents are invited to 8th grades first service fundraiser! Drop off your student and then head to the back parking lot where the 8th grade class will be handing out delicious iced coffees for an FREE WILL DONATION! All donations will go towards their 8th grade trip! This weeks coffee bar is sponsored by Gary Van Matre Plumbing - served by St. Mary's 8th grade class

**PLEASE drop your students off before heading to grab your coffee. We want to keep our parking lot safe!
Thank you!*

Classroom Highlights

We had a super fun week in Pre-S learning all about Letter B! We have mastered Letter B with color recognition, dot stickers, tracing, and searching for B's throughout our classroom. We also worked on tracing our names and practicing name recognition.

We had a blast exploring real bugs and insects with magnifying glasses and talking about their wings, colors, and how many legs they have. We created our very own caterpillars and made some special gifts for our grandparents for Grandparents' Day. We also had a great Picture Day and everyone did such a wonderful job!

We also said our "see you later" to Mrs. Abby as she begins her next adventure. We are so thankful for all the love and memories she shared with our Pre-S friends! We had such a busy week full of learning, exploring, creating, and making special memories!

Classroom Highlights

We have had such a fun week full of creating, colors, and C words!

We worked hard on our new letter C by tracing, coloring, dotting, and practicing recognizing the letter. We read

Chrysanthemum and talked about names, how special our names are, and how many letters are in each of our names. We also practiced writing and recognizing our names! We read The Very Hungry Caterpillar and talked about caterpillars, butterflies, and the changes they go through. We had so much fun creating our own butterfly wings!

We also celebrated Dot Day by reading The Dot and becoming little artists. We talked about how everyone can create something different and special. Each of our little artists made their own beautiful dot creations!

And of course, we had such a SWEET time with our grandparents! We loved having them visit our classroom, spending time together, and making special memories. We ended the day talking about our favorite parts and how much fun we had!

What a fun and apple-filled week in Pre-S! Our focus was apples and the letter D. We read *Ten Apples Up on Top!* and enjoyed creating a variety of apple-themed crafts, including using real apples to dab our own *Ten Apples Up on Top* artwork. We explored science with a few apple experiments and practiced the letter D through coloring, dabbing, and spot-and-dot activities. We also enjoyed a delicious apple tasting as we sampled different varieties of apples with yummy toppings to dip them in, including caramel and whipped cream, along with chocolate chips and sprinkles! To make our week even more special, we celebrated Kennedy and Hunter's birthdays and learned all about Johnny Appleseed. It was a wonderful week full of learning, exploring, creating, and celebrating!

There's no school on Friday the 9th or Monday the 12th, so we hope you all enjoy a relaxing and fun long weekend with your families!

Classroom Highlights

This week, we focused on reviewing the letters A through D. The kids practiced letter recognition, sounds, and writing. We also went on a letter hunt around our classroom and playground, searching for letters A–D in our environment. We did fun activities tied to each letter to help reinforce what we've learned so far. We were also excited to welcome one of our Prayer Partners for her very first visit! The kids loved spending time with her, and we are so thankful for the special connection we get to build throughout the year. A big thank you to everyone who joined us for the Pet Blessing! The kids had so much fun seeing all the animals and learning about how we can be kind and caring to all of God's animals!

What a fun and festive week we've had in our classroom! Here's a peek at what we've been up to:

The pumpkin patch was a BLAST! The kids loved the hayride, picking their own pumpkin, and enjoying all the fun activities.

Back in the classroom, we turned our pumpkins into a learning adventure with a pumpkin investigation. We explored the size, color, texture, and even counted the lines.

We got into the Halloween spirit with some very creative activities.

The littles made their own mummies and a special halloween craft to decorate our classroom and hallway! This week, we focused on the letter E. We practiced recognizing and forming the letter through coloring, dobbling, and spot & dot. We can't wait for more fall fun next week!

We had a fun-filled week in preschool as we focused on the Letter F and the story of *Spookley the Square Pumpkin!*

This heartwarming story taught us an important lesson, that everyone is special in their own unique way, and it's always important to be kind and include others. To go along with our theme, we created our very own Spookley the Square Pumpkins using all kinds of shapes! We enjoyed Coloring, dobbling, and spot and dot letter F. I've wrapped up our first quarter assessments, and I'm so proud to share that your children are BLOSSOMING! Each and every student is showing amazing growth in their academic skills. We have been working hard learning all about letter G and the sound letter G makes. We've colored, dotted, and spot and dot letter G. The littles practiced forming the letter using shaving cream, play dough, chalk, and more! Hands-on learning at its best! We also made some "Magic art" with markers and water. The littles loved watching their coloring transform right before their eyes into Mickey pumpkins! On our nature walk, each child carried their own bag to collect leaves, nuts, and any other treasures they found along the way. Afterwards, we used scissors to cut our leaves, helping us strengthen our fine motor skills while exploring textures and shapes from nature. Have a great weekend!

Wow! This week absolutely flew by! We had such a wonderful and busy time in our classroom. The excitement of Halloween made every day extra special! We enjoyed lots and lots of tasty (and sugary!) goodies this week. Thank you to everyone who sent in snacks and sweets. It made our celebrations even more special. This week we worked hard on writing our names and we are getting better every day! We also mastered the letter H through fun activities like coloring, dotting, and our "spot and dot" worksheets. We spent plenty of time indoors. Building, creating, and using our imaginations and had tons of energy to burn in the gym. To wrap up our week, we enjoyed a super awesome Pajama & Movie Day! We kicked it off in the best way possible with ice cream for morning snack! The smiles were endless, and it was the perfect cozy day to end our fun-filled week.

What a wonderful week we've had! The weather has been absolutely beautiful, and we made sure to spend plenty of time outside. We have continued our tree study. We learned all about the different parts of a tree and how they help the tree grow. They enjoyed labeling tree diagrams, painting trees, and making colorful leaf wreaths. We got to spend time with our prayer partner Stephanie Kolb. She brought in a book to read to us and a fun craft. To top off our week, we had a very special visitor, Elijah the firefighter! They were thrilled to learn all about the firetruck, the tools, different buttons, gadgets, and hoses that help them do their important work. Elijah did a wonderful job answering questions and helping the children understand how firefighters keep us safe. Next week, we will continue exploring our Tree Study, diving deeper into how trees change through the seasons.

The littles have been busy learning, creating, and enjoying all the beautiful fall weather together! We began our week learning all about Veterans Day! Who veterans are and why we honor them. They made a special craft to show their appreciation for the brave men and women who serve our country. This week we mastered the letter I and its sound! Through coloring, dobbing, and spot and dot activities. We worked on "10 Turkey Feather Tracing" and "Turkey Feather Counting" worksheets. During circle time, we shared what we are thankful for and talked about the true meaning of thanksgiving! Our virtue focus this quarter is Patience. We practiced waiting our turn, listening carefully, and understanding that good things are worth waiting for. They had so much fun playing outside, crunching and tossing fall leaves!

We have been busy, busy little elves this week! Our classroom has been filled with Christmas cheer, festive projects, and lots of peace in the waiting of Baby Jesus as we move through this beautiful season. We began the week by finishing our letters to Santa. These will be delivered next Tuesday, when we'll also enjoy a special visit from Mrs. Claus! As part of the second week of Advent, we've talked a lot about Peace, what it feels like, how we can show it, and why it's so important as we wait for Jesus. We've also had meaningful conversations about Mary, Joseph, Baby Jesus, and Bethlehem.

If your child does not normally attend on Fridays, they are welcome to join us for pajamas, puppy chow, hot cocoa, and a movie!

Welcome back and Happy New Year! The children did a wonderful job jumping right back into our classroom routines and expectations. It has been so great to see their smiling faces and excitement about being back at school. We started the week by talking about the New Year and what it means. We enjoyed a craft to go along and shared our thoughts about new beginnings. With winter officially here, we have begun learning all about snow! We are exploring how snow forms, how it melts, and what it turns into. One of our books we read was 'Sneezy the Snowman' and after the story the littles created their own melted snowman using puffy paint and explained why their snowman melted. We also enjoyed water-painting snowmen. I have almost completed assessing your little one, and I am so proud of how much they have grown already this year!

Dear Parents and Guardians,

Have the BEST Spring Break!

Classroom Highlights

We had such an amazing week in our classroom! The littles absolutely loved spending time outside and enjoying the beautiful weather. One of the highlights was getting to play with our new rocket launcher! It brought so much excitement and lots of smiles. We also spent time talking about how Lent is coming to an end and preparing our heart to learn about the wonderful news that Jesus' tomb is empty. They have been so engaged in these conversations, and it's been so special to see their understanding grow. Mrs. Anna and I hope you all have a wonderful and relaxing Spring Break. Enjoy this special time together and soak up all the sweet moments!

Dear Parents and Guardians,

Spring Picture Day 04/15/26! Please send your little a change of clothes if you don't want their nice clothes dirty! Thank you!!

Classroom Highlights

We had an amazing week back from spring break! The beautiful weather has been such a treat, and we've loved spending extra time outside practicing our letters and names with chalk. This week, we also kicked off our new insect unit! We've been learning all about ants, painting them, tracing their paths, and even counting them. I've even ordered live ants for us to observe... hopefully they arrive soon (shhhh, it's a surprise! 😊). We spent time exploring our five senses and talking about all the things we might see, hear, feel, and even taste during the spring season. The children also had fun watercolor painting crosses and getting creative with all of our spring-themed activities.

Dear Parents and Guardians,

No new information this week!

Classroom Highlights

Our weeks are truly flying by and quickly dwindling down, and I have to admit I'm feeling a little sad knowing our school year together is coming to an end. This week, we wrapped up Letter U! We explored through coloring, dobbling, spot and dot, and even chalk. We also stayed busy with letter matching, ant counting, cutting and gluing activities. We took full advantage of the beautiful weather and spent lots of time outside, something we are absolutely loving right now! We are still waiting for our ants to arrive, but our caterpillars are here! The class is so excited, and we have been watching them very closely!

Dear Parents and Guardians,

Friday, May 15th we will dismiss at 11 am. This will be the last day of school for preschool and pre-k and we will have a morning of fun with our PreK friends.

(All students are invited to come on this day.) We would love to have any available grownups join us from 9-11 am if they have completed the child protection training. Please let us know if you can join us.

Classroom Highlights

Our ants have been hard at work building tunnels in their sand, and we have loved checking their progress each day. Our caterpillars have officially started turning into a chrysalis! We also worked very hard on the letter V this week. We completed activities including coloring, dobbling, spot and dot, and tracing. With it being Earth Day this week, we spent time talking about how we can take care of our planet. We discussed what helps the Earth, like cleaning up trash and being kind to nature, as well as what can be harmful. It has been a wonderful week filled with curiosity, growth, and lots of smiles!

Dear Parents and Guardians,

Our Concert Theme is Disney Favorites. Students are welcome to dress up as their favorite Disney Prince or Princess, or wear Disney gear that is nice! Please no jeans, sweatshirts, or sweatpants.

Please have your little in the classroom at 5:50 pm

Concert begins at 6 pm

Classroom Highlights

This week, we wrapped up all things Letter W, way to go, friends! We are officially in the waiting stage as we watch our caterpillars prepare to turn into butterflies. Our ants are still hard at work, busy digging tunnels and exploring their habitat. The children love checking in on them each day!

We've also been putting in lots of effort working on special surprises, we can't wait for you to see what we've been creating!

If your child does not usually attend on Fridays, we would love for them to join us for our End of School Celebration on Friday the 15th!

We have a fun-filled day planned with a Bounce house, Water ice, Cotton candy, and much more! We hope all of our friends can join us!

Dear Parents and Guardians,

Friday is our last day of preschool, and we will dismiss at 11:00 AM. We'll be celebrating with a fun-filled morning that includes a bounce house, water ice, cotton candy, and more! Parents and guardians are welcome to join us from 9:00–11:00 AM as we wrap up an amazing year together.

Classroom Highlights

Wow... I truly cannot believe how fast this year has gone by. This will be the last newsletter from me, and my heart is feeling all the emotions. Watching your littles grow, learn, laugh, and shine this year has been such a blessing.

Your little ones did AMAZING at our Disney musical! I was beyond proud of each and every one of them. They were brave, excited, and absolutely adorable on stage. Please send your little with an empty backpack next week, as we will have lots of things coming home.

We are soaking up every last moment together and making the sweetest memories during these final days of preschool. Thank you for sharing your precious little with me this year, it has truly meant so much.
