

6TH GRADE NEWS

October 8, 2026

FROM THE DESK OF MRS. NAAS

It was a good week in 6th grade! We are movin' and a groovin'. I am so proud of this class! The good habits of organization, responsibility, and time management are forming and becoming second nature. Of course there are still areas of improvement, but we will continue to strengthen these skills as the year goes on. These kids have my heart!

This morning we enjoyed a special Prayer Partner Mass with our very own, Nana Tina. We are so thankful for all the love and prayers she gives our class.

October is the month of the rosary. We participated in a Living Rosary this afternoon with the entire school on the back parking lot. What a beautiful day to pray outside.

Parent-Teacher Conferences--Middle school conducts conferences on an as wanted/needed request. We're happy and eager to meet with anyone who would like to touch base on their student. Conferences meet around our classroom table and include all the middle school teachers. We will be hosting conferences on Monday, October 19th and Thursday, October 22nd. Your appointment time is listed below. If you need an appointment time, please contact me, so we can get you on our schedule.

Have a wonderful weekend!
