What is a Saint?

A saint is a person just like you & me who made mistakes, but tried above all things to love God. As their lives went on they became remarkably holy and wanted to be as close to God as possible. We don't worship the saints, but saints can be our heroes because of the way they lived their lives for Christ. We can live saintly lives by reflecting God's love in all we do. We will care about others, be kind, helpful, honest, forgiving, and make God the most important thing.
(All Saints Day is observed each year on November 1st.)

Conferences

SMS is very, VERY blessed with wonderful, supportive, enthusiastic, appreciative parents! Thank you for participating in the parent /teacher conferences or sending such supportive, encouraging notes in lieu of conferences. ☺ What a JOY & privilege it was to meet with you either in person, phone call or note to discuss your child's abilities, needs and accomplishments. Keep up the tremendous work you are doing in building the Kingdom of God with your precious family! ☺

All Souls Day

All Souls Day is observed on November 2nd. It is a special day we set aside for prayer and remembrance for those who have passed away. We lovingly remember those special people who are no longer with us on this earth, but live on in our hearts and memories. In Monday's folder will be a special memory page for deceased loved ones. If you choose to complete & return it, it won't be publically posted, but included in your child's memory book. Simply disregard if you don't wish to do so.

Water Bottles

Very gentle reminder that water bottles are requested to be spill resistant. Spills in KDG are common & understandable. Falls have occurred b4 I could get a mop when there was a large puddle. Spill resistant bottles help by allowing only a small amount of water to dribble out when the bottle is turned over. Thank you for your help. ☺
