Classroom Highlights

We've had a wonderful week filled with learning, hands-on activities, and time enjoying the beautiful fall weather! We began our week learning about Veterans Day and the brave men and women who serve our country. The children created their own veterans and had the special opportunity to listen to stories shared by a few veterans. It was a meaningful way to help our little learners understand the importance of honoring and thanking those who serve.

we focused on the letter I this week. Practicing its name and sound through coloring, daubing, and other engaging activities.

With Thanksgiving approaching, we've been talking about being thankful, sharing what we're thankful for, and learning about the meaning of the holiday. Our virtue this quarter is Thankfulness, and we're continuing to explore what it means to have a grateful heart and recognize the many blessings around us.

We wrapped up our week with a walk outside, taking advantage of the beautiful fall weather and enjoying some time together!

Another week of learning, growing, and making memories!
