

March

St. Mary's School
Fourth Grade
March 27-31, 2023

Dear Parents,

Your child picked out a biography book to read on Monday. There is also a sheet to fill out information about the person as your child reads it. The book must be read and an AR test taken on March 31st. I am sending home a paper today with a project to do with the book. We will write a paper on it after spring break using the notes that your child made

Have a great weekend.

Sincerely, Karen

Religion - Easter
