

# 8th grade Newsletter

February 2, 2024

What a great week we had! Thank you for sending your children to St. Mary's. Catholic Schools week is always so fun and exciting, but it was exhausting and I am ready for a normal week next week. Thank you to Shari Gamble for bringing in non perishable food for our donation drive. She put 8th grade to the top of the list and I got to get a pie to the face this afternoon.

Valograms are now for sale for \$0.10 each. 8th grade is in charge of this to raise money for their class trip to St. Louis.

Valentine's Day is also coming up. Please send in a bag of treats for our buddy class. I have purchased gift bags and fun dip already. The 8th graders will put them together before February 13 and give them to our preschool buddies. We will also have a class party on February 13. Students can bring in a snack to share with their classmates. Just a reminder- No Valentine's deliveries will be accepted at St. Mary's.

Don't forget to Register for the Rockets 5k on February 24.

Don't forget to buy your city lights tickets- City Lights is on March 9 at the Anderson Building with a theme of A Grand Fiesta.

## Next Week in Class
