## What We Are Learning!

We had a great week. The littles really enjoyed our Valentine's Celebration. Thank you to everyone who sent in supplies and treats and those who came in to help make the party fun. We played Bingo, made pattern necklaces and some cute valentine crafts, painted by shapes, and water colored pictures. We worked on the letter R with our HWT Program using Play-Doh, iPads, chalk boards, and paint doobers. We also practiced our cutting and gluing skills, and rotated through several math and science centers. We read books and sang songs about friendship and talked about the many ways to be a good one. In Art Class they made the cutest self-portraits and talked about Ash Wednesday. Fr Robert visited our classroom and explained the church season of Lent.
