Week of May 6-10, '24

We have Butterflies!

As you know, our 5 fuzzy fat caterpillars went into their chrysalis last week. On Monday & Tuesday of this week they emerged into beautiful painted lady butterflies. I wish you could have experienced their enthralled excitement. 😊😊😊

Here's What We're Working On

Christianity: God's Gift of Loving Moms

Phonics Skill: Continue long & short vowels / silent e

Focus Sound: /sh/ *Students bring item with /sh/ in beginning, middle or end position.*

High Frequency Words: give / gives

Math: As you've noticed, our math curriculum is putting a LOT of emphasis on addition & subtraction fluency to 10. This is essential because First Grade math will work on TWO DIGIT addition and subtraction. Students need to have a firm foundation in single digit addition & subtraction before they move on. It's also important to watch the signs so one knows which function to perform: adding to or taking away.....

Writing: Capital for 1st letter in sentence, spacing between words, punctuation. 2 sentences to support starter sentence.
