What We Are Learning!

I cannot believe that the end of the school year is almost here. We have had a busy week practicing for graduation and assessing for progress reports. We learned all about ocean animals through books, magazines, and videos. We did a habitat sort cut and glue, dolphin shapes, made a pretty rainbow fish, and wrote in our journals about their favorite ocean animal. They enjoyed playing with some cool ocean animals in the blocks and Legos, and sand and water in a sensory bin. We have also been practicing name writing and reviewing numbers and letters. We got together with our 8th grade buddies for the last time and enjoyed cookies and some fun activities. We sure are going to miss this special group! We have made some great memories together!!

Upcoming Events

May 20 - Pre-K Graduation 6 pm

May 21 - Last Day (9-11 am) for PS & PK

Our graduation ceremony is this Monday evening and we are looking forward to seeing you and your little at 5:45 pm. The ceremony will be live streamed on our St. Mary's Catholic School Facebook page at 6:00 pm and will also be available to be viewed later.

Notes:

I have a Pre-k Summer Packet for transitioning to Kindergarten if you would like a copy for your child to have some learning activities to work on over the summer. Please message me by Monday for a copy.

Our last day of school will be on Tuesday, May 21st with an 11:00 dismissal. We will be having a morning of fun with our preschool friends from 9-11 am. **11:00 dismissal will be at the side preschool door.**

Please continue to send in your child's backpack and water bottle through Tuesday.
