January 24th we will be celebrating the 100th day of school. I realize you must have TONS on your mind with Christmas approaching, but I'd like you to tuck this 100th Day event in the back of your mind so it doesn't take you by surprise in a few weeks. **Your Kindergartner is invited to wear a "100 Day shirt."** This can be something you make with 100 items stitched or painted on... OR maybe you have a sibling, cousin or good friend you can borrow a "Happy Hundredth Day" from. I don't want anyone to feel the need to purchase a special shirt just for one day!
