What We Are Learning!

It was so wonderful to see all the smiling faces as we came back from Christmas Break and the extra snow days. The littles were excited to be back with their friends! We celebrated the new year by singing, dancing, and glitter painting with water colors, doobers, and even forks! We worked on the letter S with our HWT Program using Play-Doh, iPads, chalk boards, and paint doobers. We talked a lot about snow and did "snow" many fun activities including reading and singing, making a cute snowman craft, making a snowman out of our names and Play-Doh, sequencing, and matching mitten and snowflake games. We made some fake snow to play in, even though we had plenty of the real stuff. They all agreed the real snow was the best, although cold to touch!
